Re: FOIL REQUEST – Thomas Kurtz
Replacement Deeds

Dear Mr. Kurtz

The documents you seek are owned by someone else and are publicly available at the clerk's office and accessible at any time, without the need for a FOIL request. It appears that you do **NOT** own any property in the County of Tioga. The FOIL process cannot be used for publicly accessible County Clerk Records. The FOIL process is typically used for less common records or when a specific document is not readily available through public search channels. Therefore, your request is denied as the documents are publicly accessible.

Sincerely,

Kevin Humes

You have the right to appeal this decision. If you wish to do so, you must file a written appeal within thirty days of the date of this letter to the Tioga County Legislature. The appeal must contain the following information: the date and location of a request for records, the records that were denied and the name and address of the appellant.
